GOAT RICOTTA

Our creamy goat ricotta is made with local goat milk, rosemary oil & Maldon sea salt. Serve the ricotta with hot, roasted crostini (bread: not included) lightly rubbed with a halved clove of garlic. Spoon a generous dollop of the ricotta on top of your crostini. Do not mix the oil into your ricotta as it will change the texture and flavour.

RAGU / SAN MARZANO TOMATO SUGO

Allow the frozen ragu to thaw in the fridge overnight. Bring sauce to a boil in a wide pan or large pot. Add the cooked pasta of your choice.

PESTO ALLA TRAPANESE

Allow the pesto to thaw in the fridge overnight. Do not apply any heat to the pesto or it will separate. Allow pesto to come to room temperature (around 30 minutes). Place pesto in a large bowl. Stir. Add drained pasta directly to the pesto and mix thoroughly.

RIGATONI

Keep the pasta frozen until use. Add the frozen pasta to lightly salted, boiling water. Cook for 5 minutes. Drain.
